

Get Ready to Run! Join Teen Parent Connection for Naperville Rotary Sunrise's St. Patty's Day Virtual 5k!

Teen Parent Connection is honored to have been selected as one of the beneficiaries of this year's virtual St. Patrick's Day 5k - organized by the Rotary Club of Naperville Sunrise!

“The 5K is one of our largest fundraisers supporting local charities and so it’s important to find a way to continue the event this year, despite the restrictions,” says Mike Tenuta, President of the Rotary Club of Naperville Sunrise. “We are proud to be supporting the COVID-19 Relief efforts of 360 Youth Services, Teen-Parent Connection and KidsMatter as they provide shelter, food, supplies and mental health support to our communities teens and young adults.”

*When you register to run you will receive a link to log into the race between **3/1/2021 – 3/31/2021**.*

Runners can choose their path: the traditional St. Paddy's Day 5K route through Downtown Naperville, or a 5K course of their own choice.

Race results will be posted at the website after March 31, 2021.

Race participants will receive their Swag Packets via mail, which will include a men's or women's technical race shirt, run bib, St. Paddy's Day beads, Downtown Naperville coupons, and the chance to receive randomly included gift cards donated by Downtown Merchants and the Downtown Naperville Alliance.

“We want to keep this fundraising Sunrise Rotary 5K active for years to come, but this year provides a unique opportunity to help support the stores and restaurants that make Downtown Naperville great,” says Race Director and Rotarian Ryan Siebert. “Sign up early to enjoy a fun run and support your community.”
