

Hi All,

I hope everyone is doing well!

WorkNet DuPage is proud to release its [Year in Review: Unlocking Opportunity During Crisis](#). By focusing on direct assistance to residents, new programming, and partnerships with WSJC community service agencies and other stakeholders, the center created momentum and established new tools to help job seekers and businesses navigate a post-pandemic economy. We're eager to accomplish even more in 2021.

**The Year in Review can be read/downloaded [here](#). I hope you will take a moment to see what we've been up to.**
