ABOUT THE 2024 POVERTY SUMMIT

Our annual Poverty Summit marks the 60th anniversary of the War on Poverty, the national commitment that led to the formation of the Shriver Center. This one-day summit convenes leaders across all sectors to reflect on the progress we've collectively made, examine the current systems that perpetuate poverty in America, and drive toward more equitable solutions. The program agenda will include in-depth, interactive sessions, where attendees will amplify efforts happening now while identifying opportunities for future solutions.
